Online booking

Our online corporate booking system makes it easy and convenient to book your business rental vehicles.

As a corporate customer, you'll have a fully comprehensive overview of your business hire so you can manage your fleet wherever you are. From the handy drop-down rental menu, you have access to bookings, your own personal address book, and a list of drivers and hire history. Our customers can manage their rentals in one place, whether they're in the office or on the road.

Corporate customers can manage business hire on the move with our state-of-the-art reporting tools. You'll have access to information on your spending, invoices, driver mileage, CO2 emissions, as well as year-on-year comparisons.

Let us know if you'd like to find out more and we can talk you through the process.

Our fleet

Our corporate rental packages are convenient, comprehensive and competitively priced.

From estates and hatchbacks, to commercial vehicles, MPVs and minibuses, Arnold Clark Car & Van Rental has an impressive selection to choose from.

As an automotive retailer with over with over 65 years experience in the industry, we have access to an extensive multi-franchise fleet. We can offer a wide range of modern cars, including automatic and hybrid vehicles. What's more, if you're looking to switch to an electric rental, our Innovation Centre in Glasgow is here to help educate businesses on the benefits of electrifying their vehicle rentals.

When customers hire with us, they have peace of mind that the majority of cars in our fleet are less than one year old, meaning Co2 emissions are kept to a minimum. All our vehicles are high spec and have in-car technology to guarantee ultimate comfort and the best possible driving experience.

A modern, multi-franchise fleet.

We do so much more than just car and van rental

As part of Europe's largest independent car retailer, we can help with more than just corporate rental.

Contract hire

With over 100,000 vehicles across the UK, Arnold Clark Vehicle Management incorporates contract hire, corporate leasing and fleet management services.

Arnold Clark Affinity cars is our new personal contract hire – a car plan that allows you to browse and personalise thousands of our best car leasing deals. The entire process is done online, so you never need to visit a showroom.

We also offer Trakm8's range of telematics and vehicle camera solutions as an added value proposition to our customers.

Accident management

Accist is our 24-hour accident management service. We handle the entire process from recovery and repairs, to dealing with insurance companies and providing a courtesy car. Accist covers 130 service centres and 40 accident repair centres across the UK.

Training facilities

Our award-winning training facility, GTG Training, offers accredited courses in Business Skills, IT and Health & Safety among many others. These courses are available at our GTG Training centres in Wolverhampton, Edinburgh and Glasgow.

Business vehicle purchasing plans

Our fleet sales team arranges unbeatable payment plans for businesses looking for lease purchase and hire purchase. Their focus is to offer an industry leading service and complete peace of mind when purchasing their fleet vehicles.

Vehicle conversion

Our in-house coachbuilders and digital print facility mean we can provide specialist vehicle conversion from initial design through to complete build. We comply with the highest standards of legislation (such as LOLER) to

make sure our conversions meet the strictest safety standards.

Insurance

Our insurance department offers great deals on all types of insurance, including travel, home, pet, young driver, fleet and commercial.

Our customers

Our customers range from large private corporations to independent local business. We also serve government bodies and local authorities and organisations within the film, TV, travel, tourism and event industries.

Whether you're part of a large or small business, we can create a customised rental solution that will really work. You'll also be glad to know that our customers have given us a 5-star rating on Trustpilot.

We work with customers from a range of sectors such as:

- Corporate
